

Technical Staff

Our HPC support team is devoted to providing help, guidance and problem resolution for our users. Our *support tool* (registration required) provides a convenient, efficient way to contact us; enquiries, problems, incidences and other communications related to the CSUC HPC Service should be addressed through it.

The HPC support team is currently composed by the following technicians:

Adrián Macía

HPC Support Scientist
Leader

(+34) 93 551 6222

adrian.macia@csuc.cat

Cristian Gomollon

HPC Support Scientist

(+34) 93 551 6227

cristian.gomollon@csuc.cat

Víctor Pérez

HPC Support Scientist

(+34) 93 551 6208

victor.perez@csuc.cat

Ismael Fernández

HPC Support Scientist

(+34) 93 551 6240

ismael.fernandez@csuc.cat

Alejandro Jaramillo

Quantum Computing
Support Scientist

(+34) 93 551 6222

alejandro.jaramillo@csuc.cat
